DELEGATION RETURNED.—The delegation of citizens who left here on Thursday evening for Richmond to urge the State Senate to pass the bill, which has already passed the House of Delegates, granting a charter to the Mineral railroad company, have returned much pleased with the result of their visit. They say that after some delay they met the Senate committee having the matter in charge yesterday evening and had a satisfactory interchange of views. The passage of the bill will be opposed by Senator Heaton, from Loudoun, and Senator McCormick, from the Winchester district, but most of the other Senators with whom the delegation talked are favorable to its passage. Statements were made to the Senatorial committee by Mayor Smoot and Messrs. F. Reed and J. S. B. Thompson, while Speaker Stuart, Senator Meredith, Delegate Bannan, and others interested themselves in the matter. Although the bill is opposed by Senator McCormick it is said that the delegate from Frederick county will favor its passage. The Senate committee postponed the further consideration of the bill till Tuesday next by which time the opposition party from Winchester will be heard from.

FAILED TO FIND MONEY.—Recently a clairvoyant visited this city, and having set forth her wonderful powers attracted large numbers of persons to her rooms, where she was to reveal the places of hidden treasures, bring about reconciliations, avert impending dangers, etc. Of course her customers were the superstitious, but it is surprising how many of them were, and that so many persons who in other respects were considered sensible people should have allowed themselves to have been so egregiously fooled. It will be remembered that the clairvoyant, after a stay here of several weeks, left rather suddenly. It now appears that a short time before her departure a number of credulous persons were induced to pay her sums ranging from \$5 to \$10 on her promise that she would reveal the hiding places of large sums of money about their premises. Every promise was given on the condition that search would not be made till after a certain date. Of course a day was named when the clairvoyant would have departed hence, and now that she has gone, and ineffectual searches have been made for imaginary fortunes, large numbers of persons are deeply regretting their folly.

PERSONAL.—Lieuts. S. L. Monroe and Albert Bryan, of the Alexandria Light Infantry, were before the military examining board, consisting of Gens. Anderson, McDonald and Col. Stern, in Richmond, yesterday, and it is understood passed an excellent examination. They received their commissions as first and second lieutenants respectively.
Wilson S. Reiley, of Georgetown, D. C., the builder, will perform on the new organ of the M. E. Church South, both morning and night, to-morrow. Mrs. Wm. Y. Allee, of Washington, soprano, will sing two solos in the morning, one before and one after preaching. Mr. Jos. C. Murray, of Washington, basso, will sing a solo at the evening service.
Mrs. J. T. Cox, who has been visiting her mother and relatives in Caroline county for several weeks past, has returned.

THE OPPOSITION TICKET.—It was currently reported on the streets this morning that the committee having in charge the getting up of a ticket to be run in opposition to the democratic ticket for municipal offices at the approaching election, last night definitely decided to support Mr. W. A. Moore for Auditor, Mr. Edward Hughes for Superintendent of Police, and Messrs. R. H. Atkinson and F. F. Gorman for Collectors of Taxes for the Northern and Southern districts, respectively. A full Council ticket for each ward was also agreed upon and the names of the candidates submitted. The naming of candidates for the other offices was deferred till after the democratic primary.

ABOUT LICENSES.—The joint resolution in relation to granting licenses has passed both houses of the legislature. It provides that licenses shall be issued to last until the 1st of June, or, in other words, to hamper the tendering of coupons pending negotiations with representatives of the foreign bondholders.
In accordance with this action of the legislature Commissioner of Revenue Duffey, of this city, to-day received a telegram from the Auditor of Public Accounts directing him to issue licenses for one month only from May 1st to June 1st.

POLICE REPORT.—Last night was cool and cloudy, till about 1 o'clock when it became clear. There were six lodgers and one prisoner at the station house.
Alderman Downham presided at the Mayor's office this morning, and disposed of the only case there for trial, which was that of Beauregard Foley, arrested by Officers Martin and Roberts, for an assault on Lawrence Bayne. He was fined \$20 and costs, John Sutton, Thomas Williams and Charles King, arrested for disorderly conduct in the case, were discharged.

ASSAULT.—In a difficulty growing out of a dispute as to the payment for drinks at a store on lower Prince street last night Mr. Lawrence Bayne, who had left the premises, was afterwards struck on the head with a brick by a young man named Beauregard Foley, knocked down and beaten. Several young men were arrested for complicity in the affair but at the trial this morning Judge Mayor Downham discharged all but Foley who he fined \$20 and costs.

GO FROM HOME TO LEARN NEWS.—The New York Evening Sun of yesterday says: "Senator Sawyer has luck as well as horse sense. He loaned the owners of a brick yard in Alexandria considerable sums of money in order to help along a partner, who is Sawyer's life-long friend. The concern failed and the Senator had to take the property to get his money back. In a fortnight after he took the yard a shipyard was set booming right next to it, and the brickyard is having all it can do."

THE OPERA HOUSE.—Mr. James M. Ward, the well known Irish comedian, will appear next Monday night in his new comedy, *The Red Fox*. The play is replete with stirring incidents and affords large scope for the display of Mr. Ward's abilities. Miss Carrie Clark Ward, of the supporting company, is said to be a talented actress, while the remainder of the company is represented as being capable and efficient.

FISH.—Since yesterday's report only about 20,000 herring and 500 shad have arrived at Fish-town. Herring sold at from \$5.75 to \$6 per thousand and shad at from \$20 to \$25 per hundred. The high winds and muddy condition of the water are driving most of the fish from the river.

When everything else fails, Dr. Sage's Catarrh Remedy cures.

MONETARY AND COMMERCIAL.

NEW YORK, April 30.—11 a. m.—The stock market was somewhat irregular but generally firm this morning, most stocks showing advances over last night's final figures of small fractions. The first few minutes were marked by great activity, but the market soon quieted down, and before 11 o'clock became dull. There was a fair business in about half a dozen stocks, but the remainder were dull. The general list was fairly steady, and at 11 o'clock the market was quiet and steady. Money easy at 3/4.

NEW YORK, April 30.—The weekly bank statement shows the following changes: Reserve, increase, \$179,125; loans, decrease, \$2,100,300; specie, decrease, \$42,500; legal tenders, increase, \$647,800; deposits, increase, \$504,700; circulation, decrease, \$23,200. ALEXANDRIA MARKET, April 30, 1887.—There is an improved demand for Flour, and local dealers seem more disposed to anticipate their wants. Receipts of Wheat are light and the markets are stronger in tone; sound, dirty lots are wanted by home mills at the recent advance, and there is a steadier feeling along the entire list of futures. Corn, Rye and Oats are without change. Butter, Eggs and other produce are quiet. Fish are scarce and higher, but few being received, due mainly to the cold northwest winds and low tides.

BALTIMORE, April 30.—Cotton higher; middling 10 3/4, 10 1/2. Flour steady and quiet. Wheat—Southern steady and quiet; red 91 1/2; amber 90 1/2; Western higher and quiet; No 2 winter red spot 92 1/4 bid; May 92 1/4, 92 1/2; June 92 1/4, 92 1/2; July 91 1/4, 91 1/2. A letter from Marshall in the *Warrenton Index* says: "The post office has its throng at 5 p. m. when the mail brings its letters and newspapers. The Richmond, northern, True Index and the ALEXANDRIA GAZETTE are mostly read."

Services at the M. E. Church South will be held to-morrow in the upper room of the edifice, or church proper, which has been closed since last March for repairs. The new organ will be used to-morrow for the first time.

Messrs. W. S. Tucker, J. E. Febrey, G. W. Salsbury, W. H. Hatch and T. N. Carter, commissioners, are engaged in dividing the land belonging to the late R. H. Donaldson, in Washington district, in this county, among the heirs-at-law of the estate.

One of the teachers of the public schools this morning lost her warrant on the city treasurer for her month's salary. As payment has been stopped the warrant is of no value but to the teacher, who will be pleased if the finder will leave it with the treasurer.

To License Tax Payers.

I am prepared to pay license taxes in coupons, and guarantee full legal protection, notwithstanding the change in time that licensees are to run from twelve months to one month. I advise all persons having license taxes to pay to call on me or any of my agents before they make their payments. They will find it still more to their interest to pay in coupons now than before the law was changed. Apply to
